2.0 PURPOSE
The AICCP is developed to:
• Set out the responsibilities of ViTrox Corporation Berhad ("ViTrox") and employees of ViTrox, in observing and upholding ViTrox's position against the act of bribery and corruption; and
• Furnish information and guidance on how to recognize and deal with bribery and corruption issues.

2.1 SCOPE
The scope of this AICCP applies to ViTrox and all of its subsidiaries. It applies to the Board of Directors ("Board"), the employees (whether on a permanent, contractual or temporary basis) and third parties acting on behalf of ViTrox.

2.2 INTRODUCTION
In ViTrox's commitment in upholding a zero tolerance approach on bribery and corruption practices, an AICCP has been developed in cohesion with our Anti-Bribery Management System (ABMS) to distinguish the boundaries of interactions and dealings between all employees of ViTrox and external parties. Parallel with fulfilling their legal obligations, ViTrox firmly believes that the foundation in maintaining sustainable business relationship with open, honest, integrity and ethical business practices.

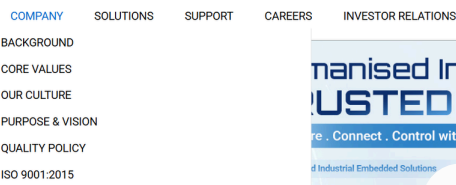

2.3 AICCP DESIGN AND COMPLIANCE COMMITMENT
The Board of ViTrox and Top Management are committed in ensuring their corresponding business functions or performance in a fair and transparent manner in order to prevent, detect and mitigate the risks of unethical practices.

The FINE (Fair, Integrity, Accountability, Courage, Trust and Respect and Distribute and Care) culture throughout ViTrox demonstrates the commitment of the Board and

Pengecaman berbanding Ingatan

Menu navigasi membebaskan ingatan pengguna kerana menampilkan senarai teks yang padat tanpa pembimbing yang jelas.

Kandungan lebih tertumpu kepada maklumat korporat dan pelaburan, menjadikannya kurang sesuai dan relevan untuk orang awam.

Reka bentuk laman sesawang kurang moden
